SUBJECT: Audit of Final Voucher TIRNO-95-D-00057, Task Order
Number 0008 (Audit #200310002.005)

In response to your request, the Defense Contract Audit Agency (DCAA) examined the final voucher issued for task order number 0008 under contract number TIRNO-95-D-00057. The purpose of the examination was to determine the allowable cost and fee for the subject task order under the contract.

In summary, the contractor's accounting and billing systems are generally considered adequate to ensure final vouchers are based on allowable cost and fee data. The DCAA indicated that the final voucher issued under the task order is acceptable for processing. The claimed costs are considered allowable for this task order under the contract and, therefore, are reimbursable.
